Submit this form for the opportunity to host two or more Young Americans during this event!

The Young Americans are coming to our community. We ask that you consider opening your home for two or more members of the touring group. This is not a requirement, but your help would be very much appreciated! Staying in the homes of families associated with the workshop is really one of the most rewarding aspects for the workshop participants and their families. As a thank you, we would like to offer each family two free tickets to the show in the preferred seating section. Your Young Americans will bring your tickets home to you on the second day of the workshop.

* Please fill out and return this form ASAP. Please keep the schedule portion for reference. Host families are on a first-come first-serve basis. If selected, you will be notified and sent additional information about hosting The Young Americans.
